HAZARDOUS MATERIALS/CHEMICAL WAIVER

Name of Company: _____

Address: _____

Phone No.: _____

Materials Purchased: _____

On behalf of the above named company (hereinafter referred to as “we”), I state that we understand that the material(s) listed above is/are considered hazardous and may cause severe harm to persons and property if handled, stored or used improperly. We are familiar with the material(s), the correct procedures for handling, storing and using such material(s), and the risks inherent with the use, handling and storage of the material(s). We have received and read the MSDS and will read and abide by all warnings contained on the label of the material(s) and any packing instructions related to the handling, storage and use of the material(s).

I certify that I am over 18 years of age and am authorized on behalf of the above-named company to purchase the material(s). I certify that we have obtained all applicable permits, licenses and permissions required to purchase, use and store the materials, and that we are not purchasing, using or storing the materials in violation of any applicable law, rule, regulation or ordinance. I further certify that the material(s) will not be used in the manufacture of illegal drugs, explosives or for any other illegal purpose. Finally, I certify that we will not sell, transfer or give the material(s) to any person to be used in any illegal products or for any illegal purpose.

By signing below, we assume all responsibility for the safe storage, handling and use of the material(s).
